Vibrant Communities

Vibrant Communities exist when neighbors communicate, watch out for and are genuinely concerned about each other and the community in which they reside. *Woodward Now is just such a community.*

In an effort to keep pace with the variety of electronic media available in the 21st Century Woodward NOW is offering two electronic methods to communicate instantly with your neighbors and community.

They are;

WoodwardNow.com
& Woodward Now On Line Forum

WoodwardNow.Com

What Can WoodwardNow.com do for YOU?

- It will keep you informed of Upcoming Events in our Carondelet Neighborhood.
- Answer all your Frequently Asked Questions (FAQ's) about what a Neighborhood watch program can do for you as a Concerned Homeowner in your neighborhood.
- Easy access to the Calendar of programs, concerts, special events, community activities, that you as a homeowner & neighbor might not be aware of in our area.
- An up to date list of your Block Captains to contact if you have specific questions that you do not find answers for about your neighborhood.
- Entertaining Gallery of photographs of special events in our neighborhood. That includes a Multi-Media Virtual Tour Slide-show of special events and happenings in and around our Carondelet neighborhood.

WoodwardNow.Com

- Helpful Numbers of local contacts in our City Government and other community agencies.
- Swap It! A convenient and easy way to find an item you want, or to sell, swap or trade.
- Be a Sponsor help support your community with a donation or advertise your business.

Our website will only be as informative and useful as YOU our neighbors will make it. Don't hesitate to join and support our site. If you need help in accessing our site, joining our FORUM, or just have questions in general, don't hesitate to use the Contact Us! Link on the site or call your Webmaster (314.852.7069). We are here to help you better understand the usefulness of our site.

WoodwardNow Online Forum

Join Woodward Now Online Forum:

- *Get up-to-date alerts on neighborhood issues via the internet, via email, or both*
- *Send messages to all registered neighbors via a single email address*
- *Keep track of neighborhood watch emails from a single web site – no more saving or searching for old emails*
- *Powered by Yahoo!, the world's largest global online network of integrated services.*
- *Register with your current Yahoo! username, or create a free, secure Yahoo! account and enjoy other Yahoo! services such as free email, shopping, games, photo hosting, and job searching.*

For more information and a Quick Start guide, go to the Neighborhood Updates link at www.woodwardnow.com or directly to <http://groups.yahoo.com/group/woodwardnow/>
