

GOOD NEIGHBORS TEAMED-UP TO KEEP-UP ST. LOUIS
GRAFFITI RELEASE FORM

We, _____ the owner(s) of the building at _____ request that Operation Brightside remove graffiti from my/our property at the above address.

As owner(s) of the above property, Operation Brightside is granted permission to access the property for the purpose of removing the graffiti.

We understand that if the graffiti is on an unpainted brick or concrete surface, the Operation Brightside crews will use a high-pressure water blaster to remove the graffiti. There may be some slight discoloration of the brick, but there should be little, if any, damage. (Some graffiti in hard-to-reach locations may have to be painted instead of blasted from brick or concrete surfaces.)

We further understand, that if the graffiti is on a painted surface, the Operation Brightside crews will match the paint color as close as possible, square off the area, and paint over the graffiti.

In addition, as owner(s) of the above property, I/we agree to hold Operation Brightside harmless of any and all liabilities arising in any way connected with injury, death or property damage caused by Operation Brightside.

_____ By signature below I hereby give permission to Operation Brightside's Environmental Youth Corps to remove the graffiti from the above address.

_____ I DO NOT WANT OPERATION BRIGHTSIDE TO REMOVE GRAFFITI FROM MY PROPERTY. I DO UNDERSTAND THAT GRAFFITI ON MY PROPERTY IS IN VIOLATION OF THE CITY BUILDING CODE AND THAT IT IS MY RESPONSIBILITY TO ABATE IT.
